RE: Vordemark appointed program administrator

Jarred Vordemark has been appointed to the position of Program Administrator for the Champaign Residential Services, Inc. (CRSI) Miami County regional office, replacing Mark Schlater who served in that capacity as Chief Operations Officer. The Troy office covers CRSI services in **Miami, Shelby, Darke, Preble, Montgomery, Warren, Butler and Hamilton Counties**. CRSI, in business since 1976, is a provider of MR/DD and other community services.

Vordemark joined CRSI in June of 1998 after graduating from Defiance College with a Bachelor of Science Degree in Accounting. He worked out of the Troy office, handling consumer finances plus budgets in multiple counties. He later became a corporate accountant working out of the Urbana office where he was in charge of negotiations and budgets company-wide, working closely with county boards of MR/DD and regional program administrators and specialists in each county to plan consumer budgets. He also worked extensively with Mark Schlater to expand CRSI services into the northwest area where a regional office was opened in Defiance in 2002.

“I am pleased to have Jarred fill the role of Program Administrator for the Troy region,” says Schlater. “He is well respected, has an excellent understanding of the MR/DD services we provide and I am pleased that he is taking over the day-to-day operations (of the regional office)”.

As program administrator, Vordemark is now responsible for staff and the quality of services provided to individuals with MR/DD in the Miami County region. He works closely with county boards of MR/DD to see that all services requested from consumers are performed as planned.

“I enjoy the interaction with consumers,” states Vordemark. “This position will give me an opportunity to extend my involvement with consumers and use my fiscal experience to better serve their needs. I look forward to returning to the Troy office and interacting with the community.”

Vordemark lives in Sidney with his wife Shawna and three children ages five, three and four months.

The Miami County office is located at 405 Public Square, Suite 373 in downtown Troy. For information about employment or services in that region call 937-335-6974 or go to www.crsi-oh.com.
